**Swim Team is a great value compared to standard swimming lessons!

This is a GREAT opportunity for your children to meet other children in the neighborhood while teaching them to be strong swimmers. In addition to professional swim instruction, we have team picnics, "Fun Friday" games, and several other activities.

Registration in front of the pool entrance:

**Saturday, March 27th • 10am-1pm**

**\$95 per swimmer \***

**\*After May 1, LATE REGISTRATION \$115 per swimmer**

Team suits will be available for sizing. Please bring your swimmers to be fitted at this time. If needed, team suits are an additional cost of \$41 for girls and \$28 for boys when purchased @ registration. Also available are the team swim caps at \$3 each. Each swimmer will get a Traceside Barracudas team shirt to wear to swim meets. Since our swim meets are volunteer run, a parent or other adult will be asked to sign up to help with a simple duty during a couple swim meets. Sign up sheets will be available at registration.
